Friendly Reminders and Information

Pay/View Taxes Online: www.hardyston.com — on the homepage, under Quick Links is "Online Tax Payments."

*There is a 2.65% fee if your payment is made using a credit or debit card and a flat fee of \$1.50 for payments made using an e-check.

Postdated Checks Will Not Be Accepted: Not only is postdating checks illegal, it creates a serious disruption when processing payments in addition to the confusion should checks go to the bank in error. In the event we receive a postdated check, it will be returned immediately and will be your responsibility to make the tax payment timely.

Please note when writing your check that the check is made out to Hardyston Township, the written amount matches the numeric number, the check is signed, and dated properly (**not postdated**).

Tax Bill Mailings: Estimated Tax Bills were mailed in June for the August 1 tax due date. Final tax bills were mailed September 1st with the adjusted tax rate and coupons for the payments due for November 1, 2023, February 1, 2024 and May 1, 2024. If you receive a tax bill marked "Advice Only" please be reminded an electronic copy has been sent to your mortgage company. Please be advised, if you do not have a mortgage company, please notify the tax office and use the tax coupon to pay your taxes.

Address Changes: Please notify the tax collector of any address changes by sending a note with your tax payment or an email (include phone number) to the Tax Collector.

Did you recently purchase your home? If you recently purchased your home and you received a tax bill with the prior homeowner's name on it, that is because the Township has not received the ownership change from the County. This can take several months due to the procedures in place reviewing deeds at the County level.

If you recently sold your home and you receive a tax bill for the property, please supply the tax bill to the current owner for payment of the quarters that remain on the bill.

Remember, NJSA 54:4-64 states that failure to receive a tax bill does not exempt you from paying taxes or interest on the taxes. It is the homeowner's responsibility to contact the Tax Collector's office to ascertain the amount due.

Receipts: Payments requiring a receipt must be accompanied by the entire tax bill along with a self-addressed stamped envelope.

Interest: As per NJSA 54:4-66, payments received after the grace period are charged interest back to the original due date. Interest is charged at 8% per annum for the 1st \$1500 of the delinquency and 18% per annum for everything over \$1,500. There is also a 6% Year End Penalty for delinquent balances over \$10,000.

Grace Period: The Township allows for a ten (10) day grace period. All payments are due in the tax office on the 10th day by 4:30 pm. If the 10th falls on a weekend or holiday, the grace period is extended to the next business day. **Postmarks are not accepted.**

Tax Sale: As per N.J.S.A 54:5-19, a municipality shall have the authority to conduct a tax sale. The tax sale puts a tax lien on the property which remains until it is paid in full or foreclosed on by the lien holder.

Delinquent Taxes: All taxes that remain unpaid at the end of the year cause Hardyston Township's taxes to increase. The next year's tax rate is based in part on the amount of taxes that remain unpaid December 31. **DELINQUENT TAXES = HIGHER TAXES!**
